

## Dear Friend of Secrets Unsealed,

SEPTEMBER 2015 WAS A MEMORABLE MONTH in United States history. Pope Francis visited the White House, gave a speech before a joint session of Congress, presented the inaugural speech at the 70<sup>th</sup> anniversary of the United Nations General Assembly and ended his visit by celebrating the *World Meeting of Families* in Philadelphia where close to a million people came from all over the world.

Secrets Unsealed was present. Our personnel along with over 100 volunteers from all across the USA joined forces to distribute over 128,000 DVDs with a Sabbath/Sunday message and thousands of copies of *The Great Controversy*.

Now, the Pope will visit Panama City, Panama for World Youth Day January 24-27, 2019. Over one million will attend from every Spanish speaking country in the world (as well as other language groups), and Secrets Unsealed will be present.

Our personnel along with volunteers will distribute hundreds of thousands of business cards inviting people to tune in to our television channels SUMTV and SUMTV Latino. The card will contain a QR code where people can instantly access a special message I have prepared on the Sabbath/Sunday issue. The card will also offer a free *Great Controversy* to those who request it. Further, to those who show a particular interest in the study of prophecy, we will be distributing a thumb drive with various prophetic messages.

We cannot undertake this mission project without your support. Our supporters can participate in this project in three ways:

- **FIRST** and foremost, pray that the Lord will bless this mission trip by empowering us to minister to those who are hungering and thirsting for peace and hope.
- **SECOND**, join us in Panama as volunteers to help distribute the cards and other materials. Please let us know if you can be with us so we can share additional information with you.
- **THIRD**, support the mission trip financially. This project requires a significant investment of funds. Our budget is \$40,000.

We live in a time when prophecy is fulfilling at blinding speed. The papal climate change agenda is growing by the day, ecumenism is rampant, freedom of speech is endangered, wars and rumors of wars increase, political strife taints the landscape, and the signs of Matthew 24 are rapidly fulfilling. Jesus admonished us to 'work while it is still day, for the night is coming when no one can work.' The hearts of multitudes are failing them for fear as they search for certainty and hope in a world that offers neither.

This mission trip to Panama offers a unique opportunity that will not be there a second time. As I was praying and thinking about this missionary endeavor, a biblical parallel came to mind, the outpouring of the Spirit at Pentecost.

Why did Jesus choose the day of Pentecost to pour out the Holy Spirit upon the waiting disciples? Acts 2 has the answer. Over a million people were present in Jerusalem from every nation on earth to celebrate the feast. A short time before, Jesus had died and resurrected. On the Day of Pentecost He would begin his intercessory work in the sanctuary. The world needed to know the good news. How could the good news reach the entire world if there were no internet, television, thumb drives, DVDs, laptops, iPads, social media, Twitter, Facebook or Instagram?

God had the answer. God gave the disciples the ability to speak the tongues of those who came to Jerusalem so that they would in turn go back to their countries and share the good news about the death, resurrection and enthronement of Jesus. The result was that the gospel went to the entire world in one generation!

The Panama mission trip gives us a similar opportunity. People will come to Panama City from every country in the Spanish-speaking world. We will be able to share with them the good news about the Sabbath/Sunday issue, SUMTV Latino and *The Great Controversy*. They then will return home and share the news with others, and they with others. What an awesome opportunity!

Thank you so much for your faithful support of Secrets Unsealed and its mission. Our passion is to encourage people to form a personal relationship with Jesus—as did Daniel and his three friends—in order to stand in the crisis ahead.

Blessings,
