Pastor Bohr was born in Wisconsin but grew up in Venezuela and Colombia where his parents served as missionaries for over thirty years. His heavy speaking schedule has taken him around the world.

In over 30 years of denominational work he has served in many capacities. In addition, he has dedicated many years to the study of the prophetic message of the Bible and is best known for his groundbreaking video series, *Cracking the Genesis Code*.

Twice a year he teaches the class *Foundations of Seventh-day Adventist Theology* at the Amazing Facts College of Evangelism. Presently he serves as Senior Pastor of the Fresno Central Seventh-day Adventist Church and also as Speaker/Director for *Secrets Unsealed*.

His wife, Aurora, is from Colombia, and they have two grown children. Their son Stephen is the Webmaster and Senior Production Technical Director for *Secrets Unsealed*, and their married daughter Jennifer is currently attending Pacific Union College majoring in international communications.

ABOUT US

Secrets Unsealed is an officially incorporated non-profit organization which is committed to upholding, proclaiming and multiplying the unique end-time Present Truth message which God has entrusted to the Seventh-day Adventist Church to proclaim to the world. Ever conscious of the sacredness of God's holy truth, we hold high and without apology or compromise all the fundamental teachings of the Bible as well as the distinctive beliefs of our beloved Seventh-day Adventist Church.

Among the distinctive beliefs we cherish and uphold are: A literal seven-day creation, the sanctity of the seventh-day Sabbath, the full inspiration of the writings of Ellen G. White, the sanctuary doctrine including the investigative pre-advent judgment, the hope of immortality only through Jesus Christ, historicism as the indispensable method of prophetic interpretation and the burning desire to see Jesus return soon, visibly, literally, personally and pre-millennially. We also believe in and practice a reverent, traditional worship style and seek to uphold the unique Seventh-day Adventist lifestyle.

Our first major production (taped in March of 2004) was a phrase by phrase study of the three angels' message by our speaker, Pastor Stephen P. Bohr. The most ambitious project so far has been *Cracking the Genesis Code*, a series of 52 one hour lectures presenting the full message of the Bible from the perspective of Genesis 3:15. All our products are useful for evangelism, in-depth Bible study and provide fresh insights for church members. Most of our productions are broadcast ready.

Secrets Unsealed currently has three full time employees. Over 60 church members volunteer their time and talents to keep the ministry moving. Our speaker, Stephen Bohr, has forgone any royalties or commissions on sales. Financially our ministry is sustained by sales of materials and also by tax deductible contributions from those who believe in our mission. We crave the prayers of God's people for our ministry for we are keenly aware that success is not by might nor by power but by the Holy Spirit.

MEET OUR STAFF

We would like to introduce you to some members of our staff that keep Secrets Unsealed running smoothly. We all share a common passion for winning souls for Christ in various capacities and consider it a privilege to play a small role in the spreading of the three angels message to the world. We all consider it an awesome privilege to be co partners with Christ Jesus by providing you with quality bible study materials. Chances are that when you call us you speak with either Virginia or Terry.

Virginia Flores

Virginia Flores has been volunteering her time faithfully twice per week in the call center for over four years. She is a prayer warrior, and makes sure we always have something good to eat. She and her husband Robert also assist with the booth at various functions like ASI, GYC and camp meetings. Her ongoing dedication to serving the Lord in this capacity is inspiring, encouraging, and greatly appreciated.

Terry Rusk

Terry Rusk has been working in the call center now for almost one year, and her bilingual skills have proven to be an asset to the ministry. She enjoys assisting people with their orders, hearing their testimonies, and seeing first hand how the Lord is using Secrets Unsealed to reach thousands of people around the world.

Aileen Pyburn

Aileen Pyburn has been with the ministry for over six years and serves as marketing director. She also works in the call center, and is the make-up artist during productions. She and her husband are very passionate about ministry, and Larry is one of our many volunteer camera operators.

Darren Vecchiarelli

Our dedicated distribution director is **Darren Vecchiarelli**. He has been with the ministry for over five years, and he takes care of all the duplication, packaging, shipment of products, coordinates the shipment of our on the road materials at various events, and much much more. **Jon Teske** assists him part time in preparing orders for shipment.

Steve Bohr

Steve Bohr is our technical director. He could be working anywhere making a lot of money, but he has dedicated the better part of the last six years to this ministry, and we are truly grateful for his hard work and dedication. He is one of several technical directors and does all the editing to make our productions broadcast ready. He's our I.T. person, a computer wiz, and helps us all with our computer needs and issues. He developed our first website, and yes, he is Pastor Bohr's son and single, but don't tell him we told you.

Jon Teske

Richard Wagenleitner

Our finance manager, **Richard Wagenleitner**, our graphic artist, **Daniela Giangrande**, and over 60 volunteers dedicate their spare time in various capacities so that Secrets Unsealed can produce new materials for broadcast, and we are thankful for every one of them. The Lord is reaching many people around the world through this ministry, and we all consider it an awesome privilege to be co-partners with Christ to win souls for His kingdom. If the Lord impresses you, we are in desperate need of a facility/production studio of our own. We currently operate in two small spaces at the Fresno Central Church and we need to build our own facility. As the Lord impresses you, please send your donations marked for "building fund". Thank you for your continued prayers and support, and for investing your financial resources in God's kingdom.

ISRAELITE FESTIVALS AND THE CHRISTIAN CHURCH

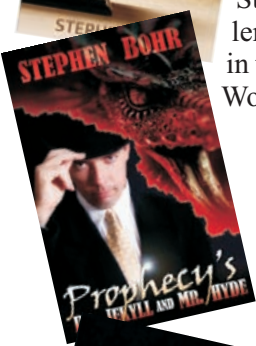

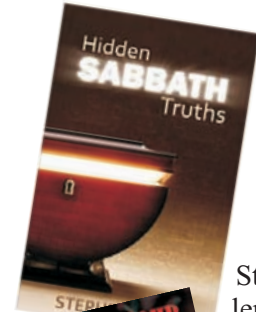

The Israelite economy was not only interested in the holiness of space, the tabernacle and its rituals, but also in the holiness of time. Humans are creatures of time and space and it was God's intention to meet with them in both spheres of their existence, in time and space. It is this concern with time that is addressed through the different festivals mentioned in the Old Testament and particularly through the Sabbath. God met with His people in the sphere of time and that was not limited exclusively to the seventh day Sabbath. Other periods of time were selected by Him for worship, celebration and the rejoicing of His people in His presence. Here we will limit ourselves to the main Israelite's festivals. We will explore their commemorative and typical meaning and conclude with a discussion of its significance for Christian believers.

GRAFFITI IN THE HOLY OF HOLIES

At the same time Goldstein confronts and sweeps away myths concerning Ellen White, and affirms her prophetic gift.

THE APOCALYPTIC VISION AND THE NEUTERING OF ADVENTISM

Neutering. Obnoxious word! But a meaningful one – a word related to the loss of reproductivity. Learn how Protestant liberalism performed the operation on itself. Discover how Adventism has been tempted to do the same. George Knight considers this small book to be the most important of his career. In it he not only diagnoses the current ills of Adventism but points beyond them to a revitalization of the apocalyptic vision that provides the key to renewed dynamics as the world and church move toward the eschaton.

IN SEARCH OF THE STOREHOUSE

In almost every discussion of tithing, the question of where the tithe should be sent comes up. Elder Reid looks at the Storehouse question from several points of view to come to a concise answer for today's Christian steward. Considered are: the Seventh-day Adventist Church policy, the scriptural perspective, counsel from the Spirit of Prophecy, the second tithe, what do to with back tithe, why the church was organized, what about other "ministries", what if there are problems in the ministry, Ellen White's example, the duty of the conference, and the eschatological significance of tithing.

A NEW LOOK AT THE BLESSED HOPE

Many counterfeit prophetic views have overwhelmed the Christian church in recent years. Prognostication and speculation seem to be the order of the day. Can we make sense out of Bible prophecy? Cutting edge issues in this series include: Does the Bible teach a pre-tribulation rapture of the church? Does the 70-week prophecy refer to Christ or to antichrist? Will the millennium be spent in heaven or on earth? Who is the man of sin in 2Thessalonians 2? How did the futuristic approach to Bible prophecy enter Protestantism? Who is the King of the North in Daniel 11? What role does Israel play in Bible prophecy? In this Bible centered series these and other crucial questions are answered with simplicity, clarity and depth.

DELIVERANCE OF THE SAINTS

Did you know that the absence of God's name in the book of Esther has great prophetic significance? That the final conflict will follow the same pattern as the one in Esther? That the close of probation, the time of trouble and the death decree are clearly revealed in the book? That even the character traits of Israel's enemies foreshadow the character traits of the final enemies of God's remnant church? That the pre-Advent investigative judgment is clearly revealed in the book? That Esther's defense of Israel foreshadows Christ's defense of His end-time remnant? Find out all this in this amazing two hour presentation on the book of Esther.

SERIES BY PASTOR STEPHEN BOHR

REVISITING THE GODHEAD

In this series Pastor Bohr takes an unusual approach to the Biblical concept of the Godhead. How can God be three and yet one? What roles do the Father, the Son and the Holy Spirit play in the administration of the universe? How do the angels relate to the Godhead? How are we to understand the exotic vision of Ezekiel one? These and other issues are brought to the fore in this remarkable series. Be prepared for some surprises!

LA COREOGRAFÍA DIVINA

En la primera parte de esta presentación, el Pastor Esteban Bohr demuestra cómo cada evento de la vida de Cristo fue planificada por Su Padre antes de Su venida a esta tierra. En la segunda parte, el Pastor Bohr demuestra cómo Dios ha planificado también nuestra vida antes de nuestro nacimiento. ¿Qué plan tiene Dios para mi vida y cómo puedo saber cuál es? Esta presentación responde claramente esta importante pregunta.

SECRETOS DEL REPOSO DE DIOS

En esta serie de dos temas el Pastor Bohr analiza el significado del Sábado en la creación y en la redención. Comparte nuevas ideas que no se han enseñado antes en la iglesia Adventista. Se dan respuestas claras a preguntas tales como: ¿Por que Génesis no dice que el séptimo día tuvo tarde y mañana? ¿Por que no le dio Dios a Adán y Eva una orden explícita de guardar el sábado? TEXTOS DIFICILES SOBRE EL ESTADO DE LOS MUERTOS

¿Qué sucede en el instante de la muerte? ¿Es la muerte el fin del camino o habrá una resurrección? ¿Tiene el hombre un alma inmortal que sale del cuerpo en el momento de la muerte o es la muerte meramente un sueño inconsciente hasta la resurrección? En esta serie el Pastor Bohr examina meticulosamente varios versículos sobre el estado de los muertos que se han comprendido e interpretado mal. Usted se sorprenderá al ver como muchos cristianos de hoy explican erradamente estos versículos. También vera la gran importancia de conocer este tema en estos últimos días.

ENIGMAS DESCIFRADOS: CONOZCA LOS FASCINANTES MISTERIOS DE DANIEL CAPITULOS 11 Y 12 Por Humberto R. Treiyer B.

En esta obra el Dr. Humberto Treiyer analiza con lujo de detalles una de las profecías más complejas de la Sagrada Escritura: DANIEL 11. Empleando una metodología estrictamente historicista, el Dr. Treiyer expone meticulosamente el significado de esta gran profecía. Entre otras cosas, el libro explica con claridad el rey del norte, el rey del sur, la tierra gloriosa, las nuevas del oriente y del norte, la abominación asoladora, el continuo y los 1290 y 1335 días. El libro es imprescindible para toda persona que esté interesada en estudiar a profundidad las profecías. El Pastor Bohr lo recomienda sin reservas.

DETONANDO EL ENGAÑO ACERCA DE ISRAEL Por el Pastor Steve Wohlberg

Hoy, literalmente millones de personas que estudian las profecías bíblicas tienen sus ojos puestos en Jerusalén. Ahora mismo, en todo el planeta Tierra, los cristianos están hablando acerca del estado actual de Israel, la reconstrucción del templo judío y la batalla final llamada Armagedón, implicando a Rusia, a China, y a los judíos. ¿Cuál es la verdad? ¿Enfoca el libro de Apocalipsis realmente al Medio Oriente? Detonando el Engaño Acerca de Israel es como dejar caer una bomba atómica sobre las ideas proféticas de la mayoría de los cristianos del mundo. ¡Sin embargo, este mensaje todavía puede salvar tu vida! Lo recomienda el Pastor Bohr.

ESPERANZA PARA EL PLANETA TIERRA
Por el Pastor Esteban Bohr

¿Cuál es el origen de nuestro mundo y de nuestra raza? ¿Cuál será nuestro destino? Esperanza para el Planeta Tierra contesta estas preguntas básicas desde una perspectiva cristiana y en forma positiva. De modo fascinante nos describe primero la vastedad y belleza del universo, del que la tierra forma parte, y nos explica con claridad quién fue el Creador de todo. Luego nos impacta con la tragedia de una "estrella rebelde", que introdujo el pecado, el dolor y la muerte en la familia humana. ¿Cuál es la solución de este drama que a todos nos hace sufrir? El Pastor Bohr nos explica hermosamente el plan de amor que Dios trazó para salvarnos y cómo se centra en Jesucristo. Su vida será diferente al terminar de leer. PASTOR BOHR'S VEGETARIAN STEAKS

Ingredients:

- 5 lbs. Unbleached Flour (the best brand is *Sunny Select* available at Food Max)
- 5 cups tap water
- 1 large onion
- 2 large stalks celery (it is better to use the leaves on the stalks as much as possible)
- 1 handful of cilantro
- ½ bottle soy sauce (about 10 ounces)
- 1 envelope George Washington's broth
- 3 walnuts (broken into quarters)

Making the dough:

In a large bowl, mix the flour into the water and knead into a lump of dough. Make sure the lump is firm and not sticky. Fill the bowl with water until the lump is completely submerged. Allow it to sit overnight.

Preparing the broth:

Finely chop the onion, cilantro and celery

Put the chopped onion, cilantro and celery into a large cooking pan with 8 cups of water, the walnuts, the soy sauce and the envelope of George Washington broth. As soon as the water begins to boil, turn down the temperature to a low simmer. Do not allow the water to boil for long because the broth will lose its flavor.

Washing the dough:

Place the large bowl with the lump of dough under a faucet with a trickle of cold water (if you use warm water the dough will fall apart) coming out. Squeeze the dough gently turning it clockwise at every squeeze to wash out the starch from the dough. Make sure you squeeze the dough together as you wash it. Squeezing the dough too tightly will separate the dough into pieces and make it much more difficult to form the steaks. When the dough has been reduced to a small ball (which is the gluten) and the water is slightly white (the color of diluted skim milk) take it out from under the water and squeeze out the excess water from the gluten ball.

Making the cutlets:

Cut the ball of gluten into two equal pieces. Stretch out the first piece until it has the shape of a log. Cut the log shaped piece into small slices about ½ to ¾ inches wide (larger for larger steaks and smaller for smaller steaks). Press the piece of gluten from the outer edges inward to give it the form of a cutlet. Make sure you don't stretch it to the point of the gluten having holes. Follow the same process with the second lump of gluten.

Cooking the cutlets:

Evenly distribute the cutlets in the simmering cooking pan slowly one by one. Adjust the temperature to a low simmer and allow the cutlets to cook for about one hour. The delicious cutlets are now ready to be used in any way you wish.

Preparing the Cutlets:

I personally like to fold the cutlets in flour and then brown them in a skillet with a little olive oil. Then I like to sauté some onions, red and green peppers and mushrooms to put over the top of the cutlets. I save the broth from the pan where I cooked the cutlets and make gravy to pour over the cutlets and then bake for about 30 minutes. Simply delicious!

My wife likes to slice the cutlets into strips and sauté them with a little olive oil, pieces of yucca (a root available in most supermarkets) and *guiso* (we will explain how to make this at the cooking school). We use *guiso* to flavor all the beans we bring to the potluck. ENJOY!
