

Expanding OUR REACH

Dear Friend of Secrets Unsealed,

IT IS WITH GREAT JOY THAT I SHARE THIS REPORT about what God is doing for, and through Secrets Unsealed! Although all the praise belongs to the Lord, your prayers and financial support have been critical to the success of this Present Truth ministry.

24 Hours/Day Broadcasting Via SUMtv

As I reported in a previous letter, we are presently broadcasting Present Truth programs 24 hours a day all year on our SUMtv and SUMtv Latino channels. These channels provide the opportunity of reaching thousands through Social Media and the Internet, people who would never open the doors of their homes for Bible studies. Many sincere souls have contacted us to let us know that they have joined the church by watching our programs.

Of course, broadcasting 24 hours a day all year challenges us to expand greatly our new program production. In the last several months, we have invited speakers from across the world to produce new sermons and health programs. This involves a significant cost to the ministry in both finances and personnel. With your financial help, we will be able to continue expediting the production of quality programming for broadcast.

Health Lifestyle Center

Secrets Unsealed has decided to take another leap of faith, branching out into the medical missionary work. A committee of medical professionals has already met to lay out a master plan. Stay tuned for the exciting details.

Ellen White wrote:

“The medical missionary work is as the right arm of the third angel’s message which must be proclaimed to a fallen world; and physicians, managers, and workers in any line, in acting faithfully their part, are doing the work of the message. Thus, the sound of the truth will go forth to every nation and kindred and tongue and people.”

—TESTIMONIES TO THE CHURCH, VOL. 6, P. 229

“Thank you so very much for the super nice Bible. You are a great help in my new life with our Lord and Savior Jesus. I have high anxiety, so being in prison and away from my mom and daughter is very hard. This Bible and the books you send are going to get well used and help me to spread the word of God better. Always searching.”

—BRANDON, MN

Reaching Prison Inmates

Secrets Unsealed also has a passion to reach prison inmates. We are presently serving over 3,000 prisoners nationwide with free Bibles, books, and DVDs. We thank all who have contributed to our prison ministry fund that makes this possible.

Close Captioning for the Hearing Impaired

Our ministry also has a burden to reach those who are hearing-impaired. For this reason, we are presently close captioning all of our programs, a massive project for sure. It costs \$90 to close caption each one-hour lecture and we have hundreds of lectures!

The New Secrets Unsealed Mobile Phone App

Several of our supporters have contacted us to ask about the status of our new Secrets Unsealed App. The great news is that the App is finished and it will soon be available for free download. Stay tuned for the unveiling! The reason for the delay is that we wanted the App to be useful for research into our syllabi and other written materials. The new App will allow users to tune in to our SUMtv channels and to do phrase and word searches, highlighting and note taking. There will also be an ‘on demand’ feature with great resources for spiritual enrichment.

Live Broadcasting from the 2020 GC Session

I would like to mention the plans of Secrets Unsealed for the 2020 General Conference Session in Indianapolis. This will be a momentous meeting of delegates from virtually every nation on earth. This will be one of the most important sessions in the history of the Seventh-day Adventist Church. In fact, I believe that this session will determine the future course of the church. Pressing issues of hermeneutics, women in ministry, and marriage are staring us in the face. We must pray without ceasing that the Lord, who sits on the throne of the universe, will overrule the machinations of men.

Secrets Unsealed plans to be there. The plan is to take our production van and install it in the exhibit area. This will allow us to film live news flashes, to do interviews with delegates and denominational leaders and to give end-of-day reports each day of the session. It will also provide an opportunity for me to present brief live sermons.

We also plan to take our booth to offer Present Truth materials to the more than 80,000 members who will travel to Indianapolis. What an excellent opportunity to let the world know about Secrets Unsealed and our SUMtv channels as sources of Present Truth! Like at Pentecost, the delegates from every nation will return from the Session to their countries and let people know about Secrets Unsealed and our SUMtv channels.

“I personally came across Secrets Unsealed about almost four years ago. The video I first watched after finding it in a friend's PC was a cut clip on “the daily” from Pastor Stephen Bohr’s sermon on Daniel chapter 8.

It startled me so much that I almost wrote to Secrets Unsealed to complain how Pastor Bohr could say such things concerning the pope, the Catholic Church and the like ... Just how could he? I asked myself.

Midway through the email, a thought clicked in my mind. Was what Pastor Bohr preaching his own ideas or was he quoting the Scriptures? So I decided to re-watch the clip, again I was startled but this time, I realized the pastor wasn’t speaking from without. He was quoting the word of God, the Scriptures.

That ignited my curiosity to discover what it is the Bible really taught. As I started, I made sure I watched the full version of that sermon which I found for free on YouTube. Soon I found many other amazing videos.

Today, I am a strong Seventh-day Adventist. It is from Secrets Unsealed series like His Way Is In The Sanctuary, The 3 Angels Messages, Cracking the Genesis Code, The Great Cosmic Controversy that I learned so much about God’s word. I am an evangelist in one of my country’s remote areas and share your sermons in the church and with people I meet.

I thank the Almighty God up yonder for Pastor Stephen Bohr and the whole Secrets Unsealed team. The impact of their ministry has gone to places they might never visit or know, to people they might never meet in this life, and has touched lives they have never imagined it would reach.

It is just one sermon I first watched, and today hundreds may have been baptized as a result. It may just be that one sermon you [the Secrets Unsealed team] are having problems to produce that may touch somebody’s life somewhere, so keep it coming.

It’s now amazing that you now have a TV [SUMtv] to televise God’s word 24/7. Glory to the Almighty God.”

A project like this involves a significant investment of resources, both of personnel and finances. We estimate that it will cost close to \$70,000 for us to take our van, personnel, booth and materials. At present, we do not have the funding, but we trust that our supporters will partner with us to make this possible.

The Papal Antichrist Articles

I hope that you have had the opportunity to read my latest two newsletter articles on *The Papal Antichrist*. The papacy, apostate Protestantism and the political rulers of the world are coming together, and sooner than we realize the final events will explode upon the world scene. If you have not received a copy of the articles, please do not hesitate to contact us.

As I end this letter, I once again want to express my heartfelt appreciation to all of our supporters. The success of this ministry is due to the power and guidance of God and the faithful support of those who believe in our mission and message. Please keep us in your prayers and thank you so much for your financial support.

“I was a lifelong Pentecostal when I heard Cracking the Genesis Code. Carlos Munoz of Amazing Facts told me to listen to this series because I was struggling to make the change ... I was baptized into the Seventh-day Adventist Church in June of 2016.”

I leave you with this beautiful promise:

“There is one who scatters, yet increases more; and there is one who withholds more than is right, but it leads to poverty. The generous soul will be made rich, and he who waters will also be watered himself.”

—PROVERBS 11:24, 25

Blessings,

Pastor Stephen P. Bohr

“The constant practice of God’s plan of systematic benevolence weakens covetousness and strengthens benevolence. If riches increase, men, even those professing godliness, set their hearts upon them; and the more they have, the less they give to the treasury of the Lord. Thus riches make men selfish, and hoarding feeds covetousness; and these evils strengthen by active exercise. God knows our danger and has hedged us about with means to prevent our own ruin. He requires the constant exercise of benevolence, that the force of habit in good works may break the force of habit in an opposite direction.”
