

TRUSTING GOD IN TROUBLOUS TIMES

Dear Friend of Secrets Unsealed:

As I write from my office here at Secrets Unsealed, I am praying that the Lord will be with everyone who is experiencing these extraordinary times. Who would have suspected two months ago that we would be in this situation? Certainly Ellen White was right on target when she wrote that the ‘final movements will be rapid ones’.

Because of the Coronavirus situation, I have had to cancel and postpone several speaking commitments that I had scheduled. However, my grounding and semi-quarantine in California has given me more time to pray, to meditate upon the Word, to write, to produce programming, and to spend quality time with my wife. There is always an unseen benefit to every situation because God sits on the throne and is in full control, although it may not appear so to our limited sight.

Many of you might be wondering about the impact of the Coronavirus upon the operation of Secrets Unsealed, so let me share some information with you.

We continue to operate as usual with certain precautions recommended by the Center for Disease Control (CDC). Among the precautions are frequent hand washing and ‘social distancing’. Some of our staff who have worked in close proximity now work from home. Our call center continues to function fully staffed so you can continue to call in for prayer, orders, donations and questions. Our distribution department continues to mail orders on a daily basis.

Because of the Coronavirus crisis, many churches have temporarily closed their doors. For this reason, **Secrets Unsealed has decided to livestream the Sabbath School Lesson (in charge of C. A. Murray) and a complete worship service beginning on Sabbath, March 28 at 10:00 am Pacific Standard Time.**

We intend to continue this broadcast until we are once again able to meet in our churches. The service will include everything as in a normal worship service. I will be preaching, Lord willing, every Sabbath. Please join us for this time of spiritual enrichment.

I realize that an electronic worship service can never replace the fellowship of being together and we hope and pray that soon we will be able to meet in our churches again. This entire ordeal has confirmed that fact that in times of peace we should “not forsake the assembling of ourselves together, as is the manner of some but that we should exhort one another, and so much the more as we see the day approaching” (Hebrews 10:25).

In God’s providence, we were able to meet in our studio for our yearly ANCHOR SCHOOL OF THEOLOGY the week before California quarantine orders started, and we are thankful. Various states are also now receiving such orders. We had 40 students in attendance from nine states besides, New Zealand, Canada and St. Lucia. This year we studied the Seven Trumpets of Revelation, a very timely series in the light of current events. It was a great time of study, prayer and fellowship, and student testimony time.

This is a time of great anxiety for the world and many in the Church. People’s hearts are failing them for fear as they see the things that are coming upon the earth. As members of the Remnant Church, we have the Present Truth message that can bring assurance and hope to the faint hearted in these turbulent times. Secrets Unsealed is committed to reaching as many as possible through SUMTV and Social Media. Thank you for your financial support that helps us continue the Lord’s work in these final days of earth’s history.

The volatility in the stock market and the potential for a catastrophic economic downturn have made the words of Jesus in Matthew 6:19-21 all the more timely and relevant: “Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal; rather, lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also.” (Matthew 6:19-21)

Regarding Noah, Ellen White wrote, ‘All that he possessed, he invested in the ark.’ (PP, p. 95) Of course, it was a wise investment because all that he invested survived the flood! In Matthew 24 Jesus pointed to certain signs that would precede his coming. Among those were wars and rumors of wars, earthquakes, famines and pestilence. Yet, according to Jesus, these things would only be ‘the beginning of sorrows.’ (Matthew 23:6-8). In other words, we have not seen anything yet. The worst is still to come! Ellen White predicted that ‘these visitations are to become more and more frequent and disastrous.’ (GC, p. 590).

However, we know what the ultimate end will be. After the storm will come the calm and peace—a new heavens and a new earth where righteousness dwells. I want to see as many people as possible there. At Secrets Unsealed, we are very conscious that ‘the loss of even one soul is a calamity, infinitely outweighing the gains and treasures of a world’ (GC, p. 21) and therefore it is our mission to reach as many as possible through SUMTV and Social Media.

Secrets Unsealed is committed to reaching as many as possible through SUMTV and Social Media. Thank you for your financial support that helps us continue the Lord’s work in these final days of earth’s history.

We appreciate and thank everyone who shares our vision and mission. Please remember us in your prayers and in these times of crisis we trust that you will support us financially in order to continue reaching out to a perishing world.

In the Master’s Service
